

EXHIBITION STAND BUILD PACKAGES

2024

OBJECTIVE

The main objective of this proposal is to create value for the Organiser and Exhibitors.

The Exhibitor will select the ready-made stand package designs in line with the BIAS 2024 theme.

The Exhibitors will be able to save time and reduce workload by selecting the customised ready made stand package solely provided by The Official Exhibition Stand Build Supplier thus complying to Exhibition Regulations.

Improves **Sustainability** of the Exhibition stands

Ensure the Core Elements are **Reuseable**

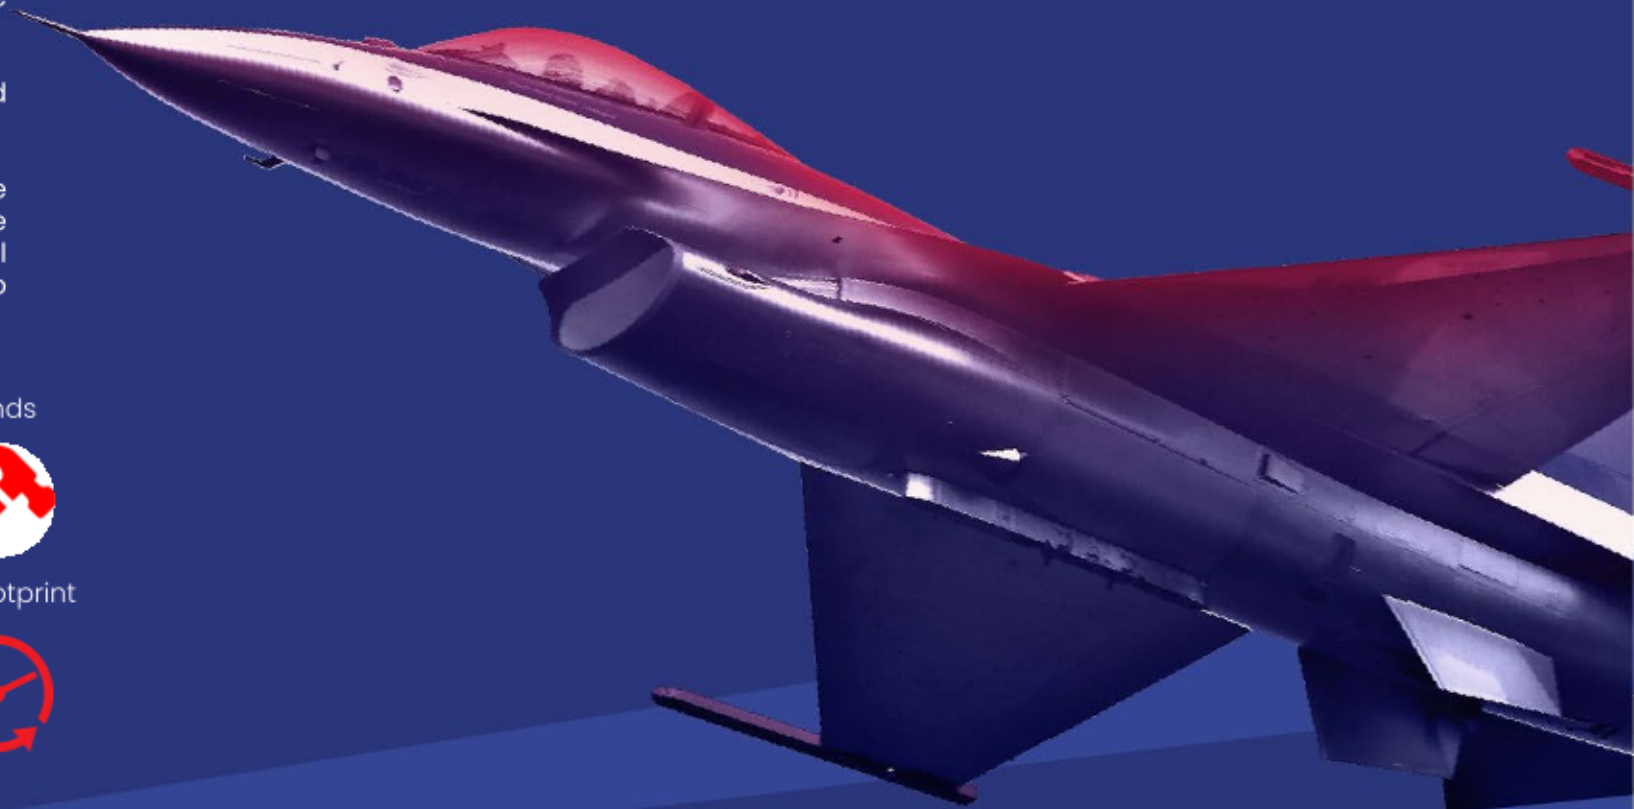

Significantly **Reduces Waste** and Carbon Footprint

Maximises **Time Efficiency**

Safer build-up & dismantle process

INTRODUCTION

Fully stand build packages size of 100sqm, 60sqm and 36sqm will be a fully constructed as modular stand by the The Official Exhibition Stand Build Supplier. The stand package must be confirmed and paid to The Official Exhibition Stand Build Supplier by **1st October 2024** for a smooth deliverable. The stand size can be increased at the Organisers discretion to suit space availability and compatibility with existing optimum layouts. The stand will have uniformity in design that complies to the Exhibition Regulations thus providing a sustainable stand that reduces waste and carbon footprint. These stands are located in the centre of the Exhibition Hall.

- *The Exhibitor may change the grey walls to its own Corporate Colour (1 solid colour tone only) without additional charges.*
- *The Exhibitor must submit ready to print branding before the deadline.*

SELF BUILD STAND DESIGN

The Exhibitors are encouraged to use Equipped stand Package provided by The Official Exhibition Stand Build Supplier to promote sustainability. Should The Exhibitor require to use their own existing stand design or contractor, it is The Exhibitor's own responsibility to ensure the contractor and stand designs comply to the safety, construction time and sustainability standards. The Exhibitors will have to submit the 3D Design, Technical Drawings, Method Statement, Risk Assessment, Public Liability Insurance (USD10,000,000 Value) through the E-Net Portal and apply for passes for the contractors to enter Sakhir Airbase.

The Exhibitors will sign an Indemnity Agreement to indemnify that all third-party suppliers entering Sakhir Airbase will comply to the regulations and shall be liable for any property damages or injuries.

The Exhibitors will be subject to pay an **INFRASTRUCTURE FEE** of USD463.80 (excl 10% VAT) per sqm to The Official Exhibition Stand Build Supplier for the booked space. The Infrastructure Fee are required to be paid before **1st October 2024***

Which includes the following services:

- *Floor Marking.*
- *Floor Protection.*
- *13amp Single Phase Build Up & Dismantle Power Supply.*
- *30amp Single Phase Show Days Main Power Supply.*

NOTES: *There will be 30% surcharge to orders received after 1st October 2024 specified and 50% for orders submitted after 3rd November 2024. Any other services not listed shall be ordered separately through Cityneon.
